This is one of the primary reasons I have a life coach. I am great at setting my own goals, both personally and professionally. However, life gets in the way and the lack of achieving those goals slips from days, into weeks, and then into months. With my monthly life coaching sessions, I have overall goals.

People in the United States are working longer in life than ever before. According to the U.S. Bureau of Labor, 40 percent of people over the age of 55 are employed, and those numbers will likely grow in the coming years. In fact, even among so-called "retired" people, 79 percent of them still intend to find some supplemental income, according to the Employee Benefit Research Institute.
