Beginners Guide To Digital Painting

Digital painting is a new medium that lets us create beautiful artwork, without the messiness of painting with inks or oils. It still requires many of the same skills and techniques as traditional painting (no, you can’t just create art at the click of a button... yet), but it’s also easier in many ways. Instead of painting on canvas or paper, digital painting allows you to paint directly onto a computer, which has a number of amazing advantages:
