BYLINE | meaning in the Cambridge English Dictionary

Dictionary.com defines a byline as "a printed line of text accompanying a news story, article, or the like, giving the author's name".

Byline - Wikipedia

The byline typically contains the name of the reporter or writer who developed the story. There's no hard and fast rule to this. A byline can be just a surname, a first name, a first name and last initial, or a full name. It sometimes includes a brief second line.

What Is A Byline? Understanding Bylines - Freelance With Us

In general, the byline should go to the staffer who reported the key facts. Or, one staffer can take the byline for one cycle, and another for the following cycle. A double byline or editor's note also can be used when more than one staffer makes a substantial contribution to the reporting or writing of a story.
