Between 1998 and 2010, an unprecedented wave of left-of-center candidates reached power in Latin America. In spite of a shared concern for social inequality and opposition to the Washington Consensus, their governments pursued dramatically different economic policies. Why did some governments reverse neoliberal economic policies amid the supremacy of market orthodoxy?

After Neoliberalism?: The Left and Economic Reforms in ...

This sixth virtual issue, edited by Jean Grugel and Pia Riggirozzi, offers a review of the post-neoliberalism literature, based on 18 articles published in Development and Change between 2012 and 2018. In this Introduction, therefore, we look to the future as well as to the past to identify the on-going, multiple experiences of resistance to speculative, extractive, inequitable and unsustainable development and the demands for alternatives that emerged in Latin America.
