Weirdo by Cathi Unsworth - Goodreads

Cathi Unsworth has a great talent for animating the lonely, alienated, disaffected individuals who tend to populate her novels. There are perhaps a few too many minor characters in 'Weirdo' but the central players, particularly the sadistic dog mutilator Samantha Lamb and the creepy retired copper Len Rivett, simply jump off the page.

This story centers around a crime committed decades ago: a schoolgirl accused of viciously murdering one of her peers in a ritualistic, almost Satanic ceremony. Now, 20 years later, a private investigator is hired to look into the case.
