Education: Teaching teachers how to teach reading - CNN

Do teachers have to be readers? Who am I to say who should be a teacher and who shouldn't, but it might not be so controversial to say that you might not be made for teaching – especially if you are a reading teacher – if you don't have a strong identity as a reader. This crosses over into the other disciplines as well.

Do Teachers Have to Be Readers? - Education Rickshaw

Kindergarten, first, and second grade teachers deliver an orderly progression of explicit phonics lessons and, as the children become competent and confident readers, push them to discover the best that literature and nonfiction have to offer while doggedly building up their comprehension through weekly word study, spelling tests, and story analysis.

Yes, there's a right way to teach reading | Parenting

Good reading skills, especially in a phonics reading program, improve spelling. As students learn to sound out letters and words, spelling becomes easier. Also, reading helps to expand the vocabulary. Reading new words puts them in their mind for later use.

15 Quick Reading Fluency Activities to Make Excellent Readers

I think teaching reading is really about teaching students to love reading. I don't think that is done by teaching decoding (how to read) or by teaching reading strategies (comprehension) although without these skills reading is not possible. I think good reading teachers do what good writing teachers, model reading for students and teach ...
